**cpc.studentministry release**

\_\_\_\_\_ has my permission to be involved in Centreville Presbyterian Church  
(name of student)

Student Ministry activities: to regularly participate in weekly meetings, to communicate with leaders outside of meetings, etc.. I understand that additional release forms may be needed for events, trips, and/or retreats.

From time to time, CPC records children, including video and audio recording and photographs in various church related functions. I understand and agree that CPC will own any such recordings (audio, video, photographic, electronic, and print) of my child and authorize CPC to use such recordings for advertising or promoting. I agree not to hold CPC and it's volunteers, youth workers and employees liable in any way arising out of or relating to the use of recordings of my child.

**thank you...**

For allowing us to walk closely with your child. We value your input and want to be as helpful to you as possible as we, together, guide your child into a growing relationship with Jesus Christ.

Feel free to contact us and other student ministry leaders often with information, encouragement, questions, or stories. We want to make this the best experience possible for families in the student ministry! Thank you.
