

2022 Guatemala Mission Team

We will be serving in central Guatemala. More than half of Guatemalans are descendants of indigenous Mayan peoples. Westernized Mayans and mestizos (mixed European and indigenous ancestry) are known as Ladinos. Most of Guatemala's population is rural, though urbanization is accelerating. According to the US State Department, about 51% of the population lives on less than \$2 a day and 15% on less than \$1 a day. Guatemala's social development indicators, such as infant mortality, chronic child malnutrition, and illiteracy, are among the worst in the hemisphere.

What Will We Do in Guatemala?

Our ministry will include serving families in and around Antigua. We will work with children in the community through a VBS or sports-type ministry. We hope to also do some home repair, install water filters, and wood burning stoves. We will also enjoy a day off to explore the beauty of Guatemala.

Who Will We Work With?

We will serve with CPC missionaries, Todd and Maureen Erickson. The Erickson family serves in Guatemala with Iglesia Del Camino. IDC is a church in Antigua with a huge heart for missions. They use appropriate technologies and education to open doors to explain the good news of Christ Jesus, the gospel, in developing countries.

Where Will We Stay?

Our team will stay in a small hotel in Antigua.
